At Office Kraków means two attractive locations, both equally fostering your business.

The **At Office - Wadowicka 3** is located in a modern office complex just off the Rondo Matecznego roundabout, which is one of the city's transport hubs. The hubs closeness ensures an excellent access to the Old Town, main train and bus stations, universities and colleges, as well as the A4 motorway ring road and the Balice airport. Public transport stops (bus and tram) are within a stroll from the Wadowicka 3 development, and there is a cycling route running along the Wadowicka Street, with urban bike rental station.

The **At Office - DOT Office** is located within the Special Economic Zone of Kraków Technological Zone in the south-west part of the city. The motorway ring road with Skawina interchange runs in a distance of ca. 4km from the complex, ensuring exit towards the airport, or the cities of Katowice, Warsaw, Zakopane, or Rzeszów, and also making a travel from one district of the city to another merely a breeze. Commuting is made easy thanks to a multi-stand on-site Park&Ride car park, and strategic Czerwone Maki public transport hub, with fast tram lines linking the area with the Kraków's downtown. Close by are bicycle routes, with a urban bike rental station just off the office facilities.

WADOWICKA 3

With its BREEAM-certified, ecological solutions, the **At Office - Wadowicka 3** makes for a modern office space. Standard features of the buildings include air conditioning with individual temperature control options, supply and exhaust ventilation system with heat recovery and humidification, tilt windows, as well as heat pumps with heat recuperation. The entire facility has access control and CCTV monitoring systems, protected by security guards (24/7), and by fire alarm systems. Available for you are bike parks, locker rooms with showers for cyclists, a bike repair depot, as well as a lunch bar, and a medical clinic.

AMENITIES FOR TENANTS:

- fully furnished plug&play offices: desks, comfortable office chairs, containers with drawers, filing cabinets and lockers,
- 24-hour office access,

At Office Wrocław means working with pleasure in an awarded office investment.

At Office - Cu Office means over 23,000 sqm of modern office area performed in 2 stages, in the oldest and most developed commercial part of Wrocław – the Western Business District. The location on Jaworska street provides office users with a fast access to the city centre and the airport, both by car and urban transport. The complex has been built using energy-saving technologies and smart systems of facility monitoring and control, ensuring comfortable environment for its tenants. Wellness of the office users is secured thanks to convenient ventilation and air conditioning systems, abundance of daylight as well as the use of materials free from harmful substances.

We paid special attention to the facilities for cyclists preparing an appropriate number of bicycle parking lots and safe access to the complex. Each building is provided with a fully equipped changing room for cyclists and a drying room as well as necessary hygienic and sanitary amenities. The bicycle repair station is located near the bicycle parking lots.
